# Company Overview

- Offer Knock is an e-commerce platform through which the aim is to provide good products to consumers. Offer Knock is a very huge ecosystem which started from Punjab and spread all over India and in the coming few years you will find its branches in other countries as well.
- Offer Knock is becoming a turning point in the troubles that the general public has been facing due to the MLM that has been going on for some time. Through this medium, the general public will get to use good products and at the same time it is going to become a source of good income. Offer Knock is fully ready to work across India as a direct selling company.

Column, bar, and pie charts compare values in a single category, such as the number of products sold by each salesperson. Pie charts show each category's value as a percentage of the whole.

# Visions and Missions

Starting from Punjab, Offer Knock wants to reach every corner of India. It wants the support of some honest and determined people. Offer Knock will provide good products as well as income source to the people who join it. As Offer Knock grows bigger, the number of people joining it will also grow and their income will increase accordingly.

# ONLINE SURVEY

**A significant portion of the Indian population struggles to spend due to limited income, with reports indicating that about 100 crore (1 billion) Indians have no discretionary income to spend on non-essential items. This disparity is highlighted by income surveys, which reveal that a large segment of the population primarily focuses on fulfilling basic needs, leaving little room for discretionary spending.**

# What are e-commerce benefits?

---

- Shop from anywhere: Customers can shop at home, at work, or on vacation. Easy shopping from anywhere makes the whole process more convenient for customers. Browse a wide range of products: There's no limit to how many products you can sell in an online store, so customers get access to a wider range of products online.
- E-commerce, or electronic commerce, refers to the buying and selling of goods and services over the internet. It involves transactions between businesses and consumers (B2C), businesses and other businesses (B2B), or consumers and consumers (C2C). These transactions take place on websites, mobile apps, or online marketplaces.

# Offer Knock With Common Shopkeepers

Friends, in today's time these online companies are increasing their profits, while our local shopkeepers are losing their business. In the coming time, Offer Knock will give an opportunity to common shopkeepers of entire India to work with them. Because these common shopkeepers know how to do business, But they don't know how to sell their product online, that's why Offer knock is bringing India's first such app where online shopping will be possible but through this app you will also be able to buy products from local shopkeepers with huge discounts.

So grab this offer knock as soon as possible

# Why Are You Offer Knock Start

## Why do any work

- People work for various reasons, primarily to earn money for basic needs and financial security, but also for a sense of purpose and contribution to society.

## How to make that work

- To make "it" work, clarify your goal, understand your motivation, and break it down into actionable steps. For work, this includes minimizing distractions, prioritizing tasks, setting clear goals, and seeking support or accountability from others. If "it" is a specific project, begin by planning and organizing, then execute the steps while staying focused and positive.
